

MEMORANDUM CIRCULAR NO. 2023 - 0003

**UPDATED GUIDELINES
ON THE PROGRESSIVE ACCREDITATION SYSTEM (PAS)**

WHEREAS, Republic Act No. 9593 or the *Tourism Act of 2009* provides that the Department of Tourism (DOT) shall have the mandate to develop and enforce a comprehensive system of mandatory accreditation for Primary Tourism Enterprises, and voluntary accreditation for Secondary Tourism Enterprises, in accordance with prescribed guidelines and standards;

WHEREAS, on 19 March 2018, the DOT issued Memorandum Circular No. 2018-03 entitled *Establishment of the Progressive Accreditation System and Its Implementing Guidelines* (the "2018 PAS") to mandate a more inclusive accreditation scheme and develop a database of primary tourism enterprises in the country;

WHEREAS, the 2018 PAS provides, among others, for the issuance of a Certificate of Registration to tourism enterprises that complied with minimum physical requirements and have been issued only a Mayor's permit or a business license;

WHEREAS, under the *Tourism Act of 2009*, Primary Tourism Enterprises shall be periodically required to obtain accreditation from the DOT as to the quality of their facilities and standard of services, and in case a tourism enterprise fails to obtain or loses accreditation, the appropriate action shall be taken against their licenses and permits to operate;

WHEREAS, there is a need to amend the 2018 PAS to phase out the issuance of Certificates of Registration and replace the same with Accreditation, to be consistent with the requirement of accreditation under the *Tourism Act of 2009*;

WHEREAS, there is likewise a need to update the requirements for accreditation and imposition of penalties under the Progressive Accreditation System to adjust to current conditions and to make the same more equitable;

NOW, THEREFORE, in view of the foregoing, these Guidelines on the Implementation of the Updated Progressive Accreditation System are hereby issued:

I. GENERAL PROVISIONS

Section 1. Short Title. This Circular shall be known as the "*Updated PAS Guidelines*."

Section 2. Definition of Terms. For purposes of this Circular, the term:

- a. "**Accommodation Establishments**" shall refer to establishments operating primarily for tourist accommodation purposes, including, but not limited to, the following:
 1. "**Apartment Hotel**" shall refer to a serviced apartment or condotel offering self-contained units with in-room kitchen and access to laundry facilities. A number of bedrooms may share one bathroom in the unit.

III. REQUIREMENTS AND PROCESS OF APPLICATION FOR ACCREDITATION

Section 6. Documentary Requirements. All Tourism Enterprises applying for DOT Accreditation shall submit the documentary requirements corresponding to the nature of their business, and the level of accreditation applied for. The list of documentary requirements for Primary Tourism Enterprises is attached as **Annex A**.

Section 7. Continuing Requirements for Accreditation. Mayor's/Business Permits are considered continuing requirements in view of their limited validity. Thus, accredited primary tourism enterprises covered under the PAS shall submit a valid Mayor's/Business Permit annually to the office that granted their accreditation.

² In the case of Mabuhay Accommodations, the Tourism Enterprise shall comply with at least fifty percent (50%) of the total points in the inspection checklist for physical requirements allotted for Premium Accreditation in addition to the minimum standards for Basic and Regular Accreditation.

Section 8. Filing of Application. Accreditation application and relevant documentary requirements under **Annex A** shall be filed or submitted and processed through the DOT Online Accreditation System. The applicant may pre-determine its qualification through the Self-Assessment Form (SAF), which shall be available at all times at the DOT Regional Office (RO) having jurisdiction over the Tourism Enterprise and/or on the DOT Online Accreditation System for the Tourism Enterprises' reference and use.

Section 9. Physical Requirements. Tourism Enterprises applying for DOT Accreditation must comply with the applicable Physical Requirements for Primary Tourism Enterprises listed under **Annex B**. For Hotels, Resorts and Apartment Hotels, the criteria or physical requirements are incorporated in the National Accommodation Standards.

Section 10. Inspection. Inspection shall be conducted in the applicant's premises at the designated time, and in the presence of the Tourism Enterprise's owner, general manager or authorized representative. The DOT Accreditation Officer shall discuss with the owner, general manager or authorized representative the results or findings, after which both parties shall sign the Inspection Checklist.

Section 11. Compliance with Environmental Requirements. During inspection, tourism enterprises shall present to the DOT inspection team proof of environmental compliance, as may be applicable, issued by the Department of Environment and Natural Resources (DENR) and the same shall be noted in the inspection report accordingly.

Establishments that fail to present environmental compliance requirements shall only be issued Basic Accreditation, subject to compliance with the documentary and physical requirements of the category they applied for, but shall be advised to secure applicable environmental permits with DENR prior to the expiry of their one (1) year accreditation. The concerned establishment shall furnish the DOT a copy of their relevant environmental permit or pending application with DENR. Non-submission will result to monitoring by the DOT.

Tourism Enterprises that have not yet secured their environmental permits shall be allowed to renew their Basic Accreditation only once, subject to the presentation of proof that they have a pending application with the DENR for the relevant environmental permits. A second renewal shall not be granted to enterprises that fail to present environmental permits or pending applications therefor. The DOT may report such enterprises to DENR for appropriate action.

Section 12. Frequency of Inspection. Inspection of Tourism Enterprises shall be done every other renewal period, with random monitoring by both the Standards Monitoring and Enforcement Division (SMED) and Regional Offices.

Tourism enterprises that wish to be upgraded to a higher level or category may apply anytime.

Section 16. Issuance of Certificate of Accreditation. When a Tourism Enterprise has successfully complied with the requirements of Basic, Regular, or Premium Accreditation, the DOT shall issue the appropriate Certificate of Accreditation upon approval of the application and payment of corresponding accreditation fees.

In addition to the Certificate of Accreditation, the DOT shall grant the DOT Accreditation Sticker for Regular Accreditation or DOT Plaque for Premium Accreditation.

Section 17. Failure to qualify under Basic Accreditation. In case the Tourism Enterprise fails to meet the requirements under Basic Accreditation, the Tourism Enterprise shall be issued a Letter of Non-Compliance, copy furnished the LGU concerned. This however, does not restrict the Tourism Enterprise to reapply.

Section 18. Failure to qualify under Regular Accreditation. In case the Tourism Enterprise fails to meet the requirements under Regular Accreditation, the Tourism Enterprise may be granted Basic Accreditation, provided that all the requirements for such level are complied with.

For Hotels, Resorts and Apartment Hotels, they may be re-categorized into Mabuhay Accommodation based on the results of the conducted inspection.

Section 19. Failure to qualify under Premium Accreditation. In case the Tourism Enterprise fails to meet the requirements under Premium Accreditation, the Tourism Enterprise may be granted Basic or Regular Accreditation, provided that all the corresponding requirements are complied with.

Section 20. Validity of Accreditation. Unless sooner cancelled or revoked by the DOT, the Certificate of Accreditation shall be valid for the following periods:

Section 27. Monitoring. As deemed necessary, the Department shall conduct periodic monitoring of Tourism Enterprises to determine continued compliance with the standards set by the Department.

VIII. GROUNDS FOR DENIAL, DOWNGRADE, SUSPENSION, CANCELLATION, OR REVOCATION OF ACCREDITATION; SCHEDULE OF FINES AND PENALTIES

Section 28. Violation or Non-compliance of Accreditation Rules. Violation of, or non-compliance with, any of the provisions of this Circular, or commission of the acts enumerated under Sections 28, 29, and 30, shall be a ground for the Denial, Downgrade, Suspension, Cancellation, or Revocation of Accreditation of Tourism Enterprises.

Section 29. Grounds for Denial of Application for Accreditation. The Department may deny the application for accreditation on any of the following grounds:

- a. Making any false declaration or statement, making use of any such declaration or statement or any document containing the same or committing fraud or any act of misrepresentation for the purpose of obtaining accreditation;
- b. Failure to comply with the standards and requirements for accreditation;
- c. Failure to pay outstanding surcharges, fines, and penalties;
- d. A determinative finding of liability for complaint/s filed against the tourism enterprise with the DOT; and
- e. Commission of any other act or omission deemed to be detrimental to the tourism industry.

Section 30. Ground for Downgrading of Accreditation. If during the monitoring visit or inspection for renewal, the Tourism Enterprise is found to be non-compliant with the requirements under this Circular or the National Accommodation Standards, the Tourism Quality Advisers shall direct the keeper, manager, or operator to rectify such defects or deficiencies. A corresponding letter from the Department shall also be sent to the Tourism Enterprise concerned indicating therein the corrective action/s and a compliance period within which to make the corrective and/or preventive action depending on the type of deficiency, as provided below:

Type of Deficiency	Compliance Period
Minor Deficiencies (e.g. cleanliness, maintenance and repair issues)	Up to three (3) months
Major Deficiencies (e.g. structural installations, PWD rooms)	Up to ten (10) months

On or before the last day of the compliance period, the Tourism Enterprise shall submit to the DOT Regional Office a Status Report on the corrective and/or preventive actions taken. Should the management fail to submit the Status Report or implement the corrective and/or preventive action within the compliance period, the DOT shall downgrade the level of accreditation or revoke the Certificate of Accreditation issued to the Tourism Enterprise. In case of Revocation of the Certificate of Accreditation, the Department shall inform the LGU concerned regarding the accreditation status of the Tourism Enterprise.
